Know Your Skills

Version 3

Published 7/15/2021 by Gerald Encabo Last updated 7/16/2021 2:33 PM by Gerald Encabo

Knowing which of your skills are most important to employers, enables you to successfully market yourself when writing your cover letter and resume, and when interviewing for a job. The following websites will help you to identify your most important skills:

- Top Skills Employers Seek
- Classroom Transferable Skills that Employers Seek

Additional 'skills identification' resources available through the Seneca Works department.
