Lesson 4: Metabolism

Version 4

Published 11/12/2021 by Gerald Encabo Last updated 12/8/2021 5:56 PM by Sonia Novello

Energy and Thermodynamics

Energy and metabolism (anabolism and catabolism)

Laws of thermodynamics

Energy and ATP

More about Energy and ATP

Enzymes

Enzymes and kinetics

Enzyme regulation

Metabolic Pathways

Overview of metabolism

Metabolism

Energy and Transport

Energy and Enzymes

Biology: ATP and Respiration
