

Lesson 8: Microbiology

Version 4

Published 11/12/2021 by [Gerald Encabo](#) Last updated 12/8/2021 5:57 PM by [Sonia Novello](#)

Viruses

Biology of viruses

Viral Diseases

Biology of viruses explained

Viroids and Prions

Prokaryotes and Archaea

Archaea

Bacterial Replication

Bacterial binary fission

Prokaryotic reproduction and biotechnology

Transformation, transduction, and conjugation

Bacterial Diseases

Microorganisms and Biotechnology

Viruses

Prokaryotes: Bacteria and Archaea

Viruses

Bacteria and Archaea

Biology: Archaea, Bacteria, and Protists
