Seneca is partnered with **Places4Students.com** – an Off-Campus Housing Service that specializes in providing students, schools and landlords with the highest quality rental listing service possible. Local property owners can conveniently advertise their rental vacancies online. Students, faculty and staff can use this service to easily search for housing accommodations.

Places4Students.com will exclusively advertise your rental properties directly to our school's community. We're confident that once you have tried this service, you will appreciate the benefits and value of advertising with Places4Students.com.

Benefits Include:

- **Seneca** will refer students to this service
Students can easily search listings directly through our school's website
- Landlords can conveniently manage their listings online
- Various listing durations and options available at competitive rates
- Online payments are protected and secure
- Descriptive listings with photos, amenity icons and floor plans to advertise properties effectively
- Google mapping features
- Up-to-date database that is real time 24/7
- Quick search capabilities allow students to search by price, preferred features and requirements
- Live customer support (toll-free) or 'Help' link online

To Get Started:

- Go online to **www.places4students.com** and in the landlord section, click 'Register Now'

- Simply create your listing by following the easy steps provided
- Submit your posting for processing and you're done!
- Landlords will work directly with Places4Students Inc. to manage their rental listings. Please feel free to contact admin@places4students.com or 1-866-766-0767, should you require more information or assistance.
- Thank you for your support in providing quality and affordable accommodations to our school's community.
