

Episode 11: Michelle Dakin

Published 4/2/2020 by [Stephanie Conte](#)

Michelle Dakin, Director of Security & Emergency Management Services, has previously led the response for organizations to several high-profile emergencies, including the H1N1 pandemic, the 2013 Toronto flooding, the Ontario winter ice storm and a natural gas explosion and oil spill. In this episode, the [Advanced Investigations & Enforcement graduate certificate program](#) graduate shares the specifics of what Seneca is doing to keep the school safe and functioning amid COVID-19.
