

Season 3, Episode 2: Kirsti Clarida

Published 11/26/2020 by [Stephanie Conte](#)

In this episode, Professor Kirsti Clarida, Co-ordinator of Seneca's [Veterinary Technician diploma program](#), talks to host Patrick Perdue about the role technology has played in helping faculty deliver the essentials of the program, in addition to the program's in-person component. As well, Ms. Clarida shares how as a result of the pandemic, innovations to the program have enhanced the experience of the students.
