## What is Cisco Webex?

Webex Meetings is one of the collaboration tools Seneca uses for online meetings and conference calls. Your instructors can use it as a teaching tool for online classroom sessions as needed. Any instructors using this tool can share the details with their students through Microsoft Outlook or by posting the meeting information in Blackboard/Learn@Seneca. As a participant can join in via their computer, tablet, smartphone or audio-only phone.

## Joining the meeting

When it is time to join the meeting go to your calendar and open up the meeting invite. A screen will pop up with all the meeting information. Including the meeting number and password. The options to join the meeting will be in light blue, click on your choice of joining the meeting.

- If you **Join Webex meeting** your Webex meeting application will open up via the browser.

## End the meeting

To leave meeting as a participant you must click "Leave Meeting" on the Webex window Quick Start page.
