

# How to Apply for a Diploma to Seneca Degree Pathway

Version 16

Published 1/7/2022 by [Gerald Encabo](#) Last updated 12/10/2025 5:02 PM by [Mimi Janjic](#)

## Current Seneca Students

If you are a current Seneca diploma student and wish to transfer to a Seneca degree program, you can do so through [Student Home](#).

To submit your request:

1. Log into [Student Home](#).
2. Select the Applicant Center tile.
3. Select Program Change Request
4. Select "Diploma to Degree" from the drop-down menu, then click the "Add Program" button.
5. Select the term, program and campus, then click the "Done" button.
6. Click the "Submit" button to complete the diploma to degree request

The status will be updated to "Pending Approval".

After the request is approved, the status will be updated to "Approved". All approved requests will be reviewed by Admissions to ensure the student is qualified before an offer of admission is issued.

## Seneca Graduates

If you have graduated from a Seneca diploma program, you can also apply to a Seneca degree program pathway through Student Home. Please follow the same steps above to apply.

If you no longer have access to your Student Home, please use the following steps to apply through our pathways transfer form.

1. Download the [Diploma to Seneca Degree - Pathways Transfer form \(PDF\)](#).
2. Complete the form electronically using the boxes provided.
3. Email your completed form to [theservicehub@senecapolytechnic.ca](mailto:theservicehub@senecapolytechnic.ca) using a valid Seneca email account.

If you are a graduate from another college or if you wish to start in semester 1 of a degree program, apply through [ontariocolleges.ca](http://ontariocolleges.ca). This will allow for the transmission for both your application and your college transcripts.

## Graduates from Another Institution

If you are a graduate from an institution other than Seneca and wish to apply to a Seneca degree program, you must do so through the applicable application portal.

Domestic students must apply through the [Ontario Colleges Application Service \(OCAS\)](#) and select "degree completion" as their entry semester. Official transcripts showing diploma completion and final program GPA must be submitted.

International students must apply through the [Seneca International Online Application](#) and follow up with their Admissions Adviser (via the Service Hub at [theservicehub@senecapolytechnic.ca](mailto:theservicehub@senecapolytechnic.ca)) regarding their pathway eligibility. You will be required to provide your Seneca application number when contacting your adviser. Official transcripts showing diploma completion and final program GPA must be submitted.

Please note: Your acceptance is conditional, and you must complete all diploma courses with the required subjects and meet the minimum GPA. Submitting an application does not guarantee your admission to the degree program.
