

Important reminders for on-campus learning

Published 1/21/2022 by [Stephanie Conte](#)

Everyone at Seneca is looking forward to welcoming students with on-campus learning activities back to campus on Monday, Jan. 24.

Here are some important things to remember before you come to campus:

Proof of vaccination against COVID-19:

- You must be fully vaccinated against COVID-19 to come on Seneca's campuses
- Seneca's [vaccination policy](#) is available online, along with [FAQs](#) about what this policy means for you
- Download the [Seneca SAFE App](#) and the virtual [Seneca OneCard](#) to your smartphone — both are needed before you come to campus
- Seneca is hosting a vaccination clinic at Newnham Campus in partnership with North York General Hospital; check for available appointments [online](#)

Coming on campus:

- Enter through the designated entrances and tap your OneCard at one of the self-serve kiosks
- Wear a face mask and maintain physical distance outside of classrooms
- Some [food services, facilities and seating areas](#) will be open
- Three-ply medical masks will be available at the designated entrances, and personal protective equipment will be provided if required for your classes or labs

Daily health check:

- Before you come to campus, complete the self-assessment on the Seneca SAFE App
- If you are unwell or have [symptoms related to COVID-19](#), do not come to campus and email health@senecacollege.ca
- After coming to campus, if you begin to feel unwell or test positive for COVID-19, notify health@senecacollege.ca immediately

Here's an [orientation video](#) to watch prior to coming to campus.

If you have any questions, please contact us at health@senecacollege.ca. And always check Seneca's [COVID-19 website](#) for updates.
