

Season 4, Episode 9: Wai Chu Cheng and Courtney Hayes

Published 3/23/2022 by [Tiffany Hsieh](#)

Host Pat Perdue welcomes two sustainability specialists for a conversation about the newly created Office of Sustainability. Wai Chu Cheng (left), who has the academic portfolio, and Courtney Hayes, who looks after operations, share insights about their jobs and how they work with curriculum planners, professors, procurement and many others to provide consultation and guidance, keeping sustainability top of mind in every aspect of life at Seneca.
