

Grow your garden with the WWF-Canada Seed Orchard Project

Published 4/4/2022 by [Stephanie Conte](#)

Thanks to the WWF-Canada Seed Orchard Project students and employees have the opportunity to grow their garden with seeds harvested at Seneca.

Seed packages will include, asters, butterfly weed, common milkweed and prairie dropseed. Package pick-up times will be available from 9 a.m. to 5 p.m. on Friday, April 22, outside the Garriock Hall gymnasium at King Campus.

Book a [pick up time online](#) by 9 a.m. on Wednesday, April 20.

For more information, email [Paula Echeveste Petrone](#).
