

Newnham Campus power shutdown

Published 4/11/2022 by [Stephanie Conte](#)

Due to required annual maintenance electrical work, the power will be shut off in Buildings A, B, C, D, E, F, G, H, K, Maintenance Shop and Bus Garage at Newnham Campus. The work will commence at 7 a.m. on Friday, April 15, and is expected to be complete by 6 p.m.

This work is necessary to ensure Seneca's electrical distribution system is in order and to ensure its ongoing reliability throughout the year.

The shutdown will not impact the Parkade or Newnham Campus Residence.
