# Entrance Awards

Seneca offers various scholarships, bursaries and other awards to help our students. Entrance awards are one form of financial award available to incoming students who meet the qualifications and requirements.

Here is the List of Entrance Awards.

## Eligibility

To be eligible for an entrance award, you must:

- have been offered admission to Seneca or are waiting to hear from us

- meet the academic requirement

- be eligible for financial aid

You are not guaranteed an award even if you apply if you have not received an offer of admission to Seneca.

## Entrance awards in the fall

More awards will become available and open for submission in the fall after classes begin. To apply to those awards, you must return to the application and apply.

The last day to apply for these awards will be October 31.
