

Changes to parking at King, Markham and Newnham campuses

Published 5/9/2022 by [Stephanie Conte](#)

TO: All students and employees

RE: Changes to parking at King, Markham and Newnham campuses

Since the beginning of the pandemic, Seneca has suspended parking fees at King, Markham and Newnham campuses. Starting Monday, May 9, parking fees will be reinstated, and **new parking rates**, payment and monitoring systems will also be in effect.

Here's what you can expect

- Seneca's parking lots will no longer be gated
- Parking will be monitored using licence plate recognition technology
- Parking fees will need to be prepaid using a credit card or online payment service
- Parking ambassadors will be available on campus to answer questions and direct students and employees to available lots, including the new parking garage at Newnham Campus

More flexibility

To accommodate flexible study and work schedules, Seneca is introducing payment options for students and employees who drive to campus daily, weekly or less frequently.

To pay for parking at King, Markham and Newnham, you can:

- Visit the [Seneca Parking website](#) to register your vehicle and purchase a semester permit, which you can pay for with a one-time payment charged to your credit card, or recurring payments billed to your credit card weekly
- Use the [Honk](#) mobile app or website to purchase single weekday, weekend or evening permits if you are coming to campus less often (payment options for Honk include credit card, PayPal, Apple Pay and Google Pay)
- Purchase a MultiPass on Honk, which allows you to prepay for a set of daily permits

and redeem one each time you drive to campus

Seneca@York parking will not be impacted by these changes. Visit the [York University parking web page](#) for instructions on how to park at Seneca@York.

These improvements offer more convenience, affordability and the flexibility to take public transit as part of your commuting routine. Please visit [MySeneca](#) for more information and direct any questions to parking@senecacollege.ca.
