

Seneca Innovation Showcase

Published 4/20/2022 by [Shona Dias](#)

The Seneca Innovation Showcase is an annual event where we highlight and celebrate the applied research and entrepreneurship activities at Seneca. The theme this year is “Unmasking Innovation”. There are two portions to the virtual event:

1. From April 26 – May 3: A virtual exhibition page which we highlight Seneca's funded applied research projects, HELIX ventures and student capstone research; viewers can vote for People’s choice award. Registration is not required if students are only planning to attend the showcase exhibition hall. Access the exhibition hall will be available by visiting the [Seneca Innovation web page](#) anytime from 10 a.m. EDT on April 26.
2. May 3 from 9 a.m. – 2 p.m.: Scheduled sessions – keynote, panels, fireside chat, award presentation. The LIVE sessions are free but registrations is required via: <https://2022senecainnovationshowcase.eventbrite.ca> Deadline to register is May 2.
