Accessing Technology at Seneca

Published 4/27/2022 by Shona Dias

This session will show you how to activate your Seneca account, set up Multi-Factor Authentication (MFA), and access services such as Learn@Seneca, Student Home, email, free software, mobile apps, and IT help desk.

- Monday, May 2 Accessing Technology at Seneca — 10 a.m. EDT

Video Conferencing Tools at Seneca

Your professors will be using one of four online learning platforms to deliver classes and to connect with you: BigBlueButton, Microsoft Teams, Webex and Zoom. Join ITS to learn how to access the platform and key features for online classes.

Zoom

All students are eligible for a **Seneca licensed Zoom account**.

- Tuesday, May 3 Zoom — 10 a.m. EDT

Microsoft Teams

All students are eligible for a **Seneca licensed Microsoft Teams account**.

- Wednesday, May 4 Microsoft Teams — 10 a.m. EDT

BigBlueButton

- Thursday, May 5 BigBlueButton — 10 a.m. EDT

Webex

- Friday, May 6 Webex — 2 p.m. EDT

The password for all learning platform sessions is: IT2022s
