

Seneca honoured for sustainable development and global engagement

Published 4/27/2022 by [Tiffany Hsieh](#)

Seneca has been recognized with two 2022 Colleges and Institutes Canada (CICan) Awards of Excellence.

The awards, given out during CICan's annual conference in Halifax, recognize best practices from institutions across the country as well as individual leadership and achievements.

Seneca won a bronze in both the Sustainable Development Goals (SDGs) Excellence category and the Global Engagement Excellence category.
