## Orvil L. Davie Memorial Fund

**Value:** \$1000

**Deadline:** March 15 and November 30

The purpose of the fund is to assist students in completing their education for a career in the heating, ventilation, air conditioning and refrigerating industry (HVACR) and to assist in maintaining a higher caliber of HVACR industry personnel. The fund provides bursaries to persons who require financial assistance in completing training in an accepted course directly related to the HVACR industry. Applicants for the bursaries may come from the community or vocational college systems, or through industry sources such as the provincial apprenticeship programs.

For more information, please contact HRAI 800-267-2231 ext 237

## EnergyRates.Ca College Scholarship 2026

**Value:** \$500

**Deadline:** January 31, 2026

The energy industry has always lived with one foot in the present and the other in the future. With many major projects—power plants, dams, pipelines—having development times measured in decades, success depends upon anticipating the needs of companies and countries in the years ahead.

We look forward to seeing what the next great minds bring to this ever-transforming industry, and want to do our part in assisting those great minds achieve their goals and dreams. This is why Energy Rates is offering a \$500 scholarship to any student enrolled in an American or Canadian post-secondary educational institution. Whether you need to pay for your classes or textbooks, or just to put food on the table this semester, it's yours to do with as you please. All you have to do to be considered for the scholarship is write an essay, no more than 500 words in length, telling us where you see the future of the energy industry. For more
