Use your Seneca OneCard for on-campus identification

Published 7/21/2022 by Stephanie Conte

Have you downloaded the new Seneca OneCard app yet? If so, don't forget to upload a photo of yourself at myphoto.senecacollege.ca. This will allow you to use your OneCard as identification on campus. Your OneCard cannot be used as identification until the photo is approved.

If you do not have the new virtual Seneca OneCard, you can download it to your Apple or Android device now. The former GotMyCard app is no longer available. More information about the new app is available online (New Seneca OneCard app now available).
