

Vaccines available on campus

Published 9/21/2022 by [Stephanie Conte](#)

Toronto Public Health School Immunization Program & Catch-up Clinics will be at Seneca@York Campus on Wednesday, Sept. 21 and Thursday, Sept. 22 in Room S1209.

The following vaccines will be available:

- COVID-19 booster – all ages
- Monkeypox – all ages
- Meningococcal – available to those born in 2002 and 2003
- Human Papillomavirus – available to those born in 2002 and 2003

No appointment is needed and OHIP is not required. More information is available [online](#).
