

Creating a Culture of Consent, Trauma-Informed Healing & Restorative Justice

Published 8/31/2022 by [Shona Dias](#)

Description: Join Seneca Student Conduct for a live consent education event featuring special guest Marlee Liss!

Marlee is a sensual reclamation coach, award-winning speaker, author and restorative justice advocate who made history in North America when her personal sexual assault case became the first to conclude with restorative justice through the courts.

Please Note: This presentation includes language that describes sexual violence. We acknowledge that this is a sensitive topic and may trigger an emotional response. If you would like to access support, there are on- and off-campus supports available.
