

Tapping your OneCard and keeping your shuttle wristbands

Published 9/9/2022 by [Stephanie Conte](#)

A reminder that each time you enter a Seneca building to please tap your [Virtual OneCard](#) at the designated entrances. You are welcome to enter and leave buildings as often as you like, but please be sure to "tap in" every time you return.

Also, if you obtain a wristband to ride the Seneca [Campus Shuttle](#), please keep that wristband for the entire day if you ride the shuttle more than once.

Thank you for your co-operation.
