Student Account Description: Dom Health and Dental

Fee: \$249.21

All students registered in a full-time postsecondary or post-diploma program approved by the Ministry of Colleges and Universities are automatically enrolled in the Health and Dental Plan administered by the Seneca Student Federation (SSF) and ACL Student Benefits Ltd.

Enrolment in the Health and Dental Plan is compulsory. To assist the SSF in ensuring students receive immediate coverage at the start of the term, Seneca shares limited personal information (student name, student number, date of birth, gender and campus) directly with ACL.

As mandated by the province's [Tuition and Ancillary Fees Minister's Binding Policy Directive](#), students who are able to provide proof of existing and comparable insurance coverage are permitted to withdraw from the plan during the opt-out window (typically the first three weeks of the first term of study or every September). Students who opt out will receive a refund directly from ACL at the end of each term in which they are registered as full-time students.

For more information, [visit the Seneca Student Federation website](#).

Charged annually from Sept. 1 to Aug. 31.

The total fee is distributed as follows:

- fall start: \$249.21 – charged once per academic year
- winter start: \$227.55 – charged once per academic year
- summer start: \$123 – charged once per academic year
