Field Placement Important dates

There are three field placement periods in a year: one group (accelerated students) will go out for a 20-day block at the end of April, and another group (accelerated students) for a 20-day block at the end of August. The other stream (not accelerated) is one day a week, every Wednesday, starting the Wednesday after Thanksgiving and ending in February or March.

- [Guidelines for Hosts](#)
- [Host Questionnaire](#)

Please contact the Field Placement Coordinator, [Amreen Omar](#), should you wish to participate in one or both placement periods, or if you wish to discuss alternate arrangements. We require that a host questionnaire be completed to participate.
