

ITS notice — Seneca Wi-Fi Network

Published 9/27/2022 by [Stephanie Conte](#)

When: Tuesday, Sept. 27, 2022

What is being done: ITS is required to renew Seneca's Wi-Fi network certificate annually. The certificate provides a secure form of network authentication. ITS updated the certificate late Monday, Sept. 26, 2022. Any device attempting to connect to the Seneca Wi-Fi network will be prompted to accept the new certificate. Users should trust and accept the new certificate. For more information on how to accept a Wi-Fi network certificate, please [click here](#).

Who will be impacted: Students and employees.

What you need to do: Accept the new Seneca Wi-Fi network certificate.

If you have any questions or concerns please contact the [Service Desk](#).
