Twenty-five qualified alumni applied to the call for artists to initially work on the mural. The five artists selected are recent graduates of the School of Creative Arts & Animation diploma programs. They excel in drawing, painting, illustrating and composition but no one had mural experience. The team workshopped the concept over the summer term and began finalizing the drawings with weekly zoom meetings in the fall of 2021. The team completed a working at heights certificate in January of 2022 and began the painting on the wall Friday, Feb 4, 2022 and finished Thursday, Oct 27, 2022.
