

# Turtle

Version 2

Published 10/14/2022 by **Stephanie Conte** Last updated 10/26/2022 6:23 PM by **Stephanie Conte**

The turtle is a knowledge keeper and is tasked with understanding the truth. The turtle teaches us to be present and patient when learning, so that the truth can be understood. When we follow Turtle's path, we are given the opportunity to see how we are all connected to one another and the world we live in.

We have depicted turtle with a very literal program that we felt encapsulated the concept of knowledge keeping and decided on library studies.
