RE: Seneca's next Strategic Plan – this week's question

Last week, [President Agnew wrote](#) to all of us about Seneca’s next Strategic Plan.

Over the next few weeks, we’re asking questions to help inform that plan. This week’s is about reaching your career goals and what you need from Seneca.

[Please take a few minutes to let us know.](#)

We’re gathering feedback from a number of stakeholders, including from employers who eventually will be hiring you as our graduates. We’re asking them similar questions to ensure we continue to provide you with the education and experience you need to be successful in the career or pathway you want.

Thank you for taking the time, and I hope you have a great Study Week.
