SDDS Student Brings Home Bronze for Seneca at Skills Ontario Competition

Published 10/24/2022 by Dylan Manley

For the fourth consecutive time, FASET students have earned top honors at the Skills Ontario Competition. During the annual Spring event, competitors were able to show off their knowledge and skills in a variety of contests across the trade and technology sectors. Seneca students achieved three gold, one silver and four bronze medals this year.

From the School of Software Design & Data Science, Gerardo Arriaga Rendon from Computer Programming & Analysis advanced diploma program won bronze in Technology category for **Coding**.
