RE: Seneca's next Strategic Plan – this week's question

Back again with this week's question to help inform Seneca's next [Strategic Plan](#).

This time, please think about Seneca in comparison to other colleges and to universities. Let us know what big bold step we can take to differentiate ourselves from others in postsecondary. Here's the [link to provide your answer](#).

Thank you for taking the time to participate. Have a great rest of the week.
