

Forest and Nature Early Years Practitioner (FNP)

Version 3

Published 12/19/2022 by [Tracy Rogers](#) Last updated 8/14/2024 1:16 PM by [Michelle Grant](#)

A microcredential is a short course designed to help you upskill, reskill and boost new skills development. Seneca's career- and profession-based microcredentials provide focused learning that add value to your existing education and enhance your employability. You will learn in-demand skills and knowledge and benefit from flexible options including different delivery modes, durations and start times.

[Forest and Nature Early Years Practitioner - Seneca, Toronto, Canada \(senecapolytechnic.ca\)](#)

This training will give you nature-based skills, enable you to create outdoor educational experiences for children and give you more qualifications for your career.
