---

This program is designed for you if you are working or have previously worked in the field of early childhood education and wish to attain a formal education. Before applying for this program, you must be registered as an apprentice through the Ministry of Labour, Immigration, Training and Skills Development.

As an apprentice in this program, you will take 23 in-class evening courses that can be completed part-time. Your training will include instructions in a variety of subjects such as child development, curriculum, health, safety, nutrition and professional practice.
