Seneca's Summer 2023 Convocation ceremonies will be held from Wednesday, June 21 to Wednesday, June 28 at [Meridian Hall \(1 Front St. E., Toronto, Ont.\)](#). You will have the opportunity to walk across the stage and celebrate your graduation with family, friends and classmates.

In the coming months you will receive an invitation to your convocation ceremony, which will include details on the date and time, how to register and how many guests you can invite. In the meantime, please keep that week open in your schedule.

If you are an international student applying for visitor visas, you can state "June 21 to 28" as the convocation date on your application form. Learn about [guidelines for obtaining a guest visa for international attendees](#).
