

Day Three - Seneca Serves Day

Published 2/6/2023 by [Taniska Dandriyal](#)

Location: Across Seneca Campuses

Seneca Serves is a campus-wide initiative organized by the Student Life team that will allow you to participate in a community service-learning experience by volunteering with a community organization on or off campus.

This year, Student Life is partnering up with Sustainable Seneca to address the issue of environmental waste.

Don't miss this opportunity to learn, connect with your peers, and support a meaningful cause.
