

Dual Credit team hosts first on-campus event in three years

Published 1/25/2023 by [Stephanie Conte](#)

After a three-year hiatus, Seneca's Dual Credit team hosted their first on-campus event at Newnham Campus on Thursday, Jan. 19.

The School Within a College (SWAC) celebration honoured Toronto District School Board (TDSB) and York Catholic District School Board (YCDSB) SWAC students who participated in the fall program. School board partners, SWAC high school teachers, guidance counsellors and Seneca professors were in attendance to celebrate the student's hard work and determination this semester.

Many of these students are graduating high school this year, and some have already accepted offers to return to Seneca in a full-time program this September.
