

Striking a Balance Between Innovation and Privacy in Educational Settings – In case you missed it!

Published 1/27/2023 by [Cheryl Kennedy](#)

On January 24, 2023, the Privacy Records and Information Management community of practice (PRIM)* was pleased to co-host an in-person and live streamed event designed for post-secondary employees and students as part of our 2023 Data Privacy campaigns.

Guest Speaker

Daniel Michaluk, Cybersecurity, Privacy and Data Protection & Education Partner at Borden Ladner and Gervais (BLG).

Topics

Privacy considerations for virtual work, online academic delivery, educational technology, privacy impact assessments and more!
