

Humanitarian disaster in Türkiye and Syria

Published 2/7/2023 by [Stephanie Conte](#)

Members of the Seneca community have asked how they can help following the terrible earthquake that has killed thousands of people and caused widespread destruction in Türkiye and Syria.

Canadian organizations such as the [Canadian Red Cross](#), [Doctors without Borders](#), [UNICEF Canada](#) and others listed on the [Canada Helps](#) website are working urgently to support survivors and help the affected communities rebuild. Your generosity can help get vitally needed resources to those in need.
