

Discover how you can build on your Seneca degree with Niagara University

Published 3/1/2023 by [Stephanie Conte](#)

Learn how you can turn a Seneca degree into a master's through the [Seneca-Niagara University partnership](#) during an upcoming virtual information session.

Join the Niagara University team on Monday, March 6 on [Virtual \(Zoom\)](#) from 4 to 5 p.m. EST to learn about the Master of Science in Information Security and Digital Forensics and 5 to 6 p.m. EST to learn about the Master of Business Administration. Information covered during the sessions will include:

- admission requirements
- scholarships
- transfer credits
- course delivery options
- fees and more

You will also have the opportunity to connect directly with Niagara University experts and have your questions answered live during the session's Q-and-A period.
