

Seneca Pride

Published 3/4/2023 by **Kunal Singh**

Seneca Pride is a Student Support Group.

At their core, our Student Support Groups are designed to create a warm and welcoming environment where equity deserving students who share similar identities and experiences can connect. Unlike traditional clubs that might require active participation and substantial time commitment, our groups offer a haven for you to simply show up, be yourself, and forge genuine connections. This is a space where you can just come and be.

A reminder that all 2SLGBTQ+ students from all campuses are welcome at our events! You just need to be a 2SLGBTQ+ Seneca student! Come join us and bring your friends. 🏳️‍🌈

Our events are tailored specifically for the 2SLGBTQ+ Seneca student community. While allies are welcome to participate in our inclusive and safe environment, we ask that allies show empathy, understanding, respect, and open-mindedness while attending.

To keep updated on our meetings and events, follow our dedicated page on Instagram:
